

2022 Vitense She-Ra League

Welcome to the 2022 She-Ra League at Vitense. League play is **Tuesday nights** starting January 11, 2022. Tee times will be a “shotgun” start at 6pm in our golf suites. Everyone player will play the same course each week. We will have different courses from around the world for the 10-week league. * This winter league with also use IMAGolfer, to let you know who is playing who and what course we will play each week.

League Cost:

Dues of \$10 per week will cover your cost of range balls and use of Toptracer in the golf suites. In addition, everyone will pay \$20 cash towards the prize pool that is paid out at the end of the year and 7.50 for the use of IMAGolfer. These payments can be settled at the front counter.

Format:

During the regular season, each team consists of 2 players, an ‘A’ player and a ‘B’ player. Each team match will consist of 2 individual best ball matches (A vs A, B vs B) that are worth 11 pts each (22 total for the team). Each hole is worth 1 pt, and winning your match is worth 2 additional points – ties will split points. Teams will accumulate points during the round robin matches and will be placed into a playoff bracket determined by how they finish within their division – every team will be placed in 1 of the 6 playoff brackets. During the playoffs, the format will change to team net best ball match play – both players play the hole, and the lower net score will be used for the team score. Playoff matches cannot end in a tie – if there isn’t a winner at the end of 9 holes, teams will play sudden death until there is a winner.

Conferences/Divisions:

There are 2 conferences (sponsored by TBA). Each Conference has 2 divisions. You will play each team in your own division once in the regular season, and you will play three random teams from the opposite division in your own conference once.

The 2019 conferences are listed below.

CONFERENCE #1	
Surly	TopTracer

CONFERENCE #2	
Wi. Dist.	Octopi

***Prize money may change based off the total number of golfers. Team that wins the most matches Handicapped will win the cash payouts (1st, 2nd, 3rd place payout).**

IMAGolfer: Learn it/Use it!!!

Everyone will receive an invitation via email to login in to our league software – returning members will use the same login/password as last year (Not sure if this will work??). IMAGolfer will show your tee times each week (and course you play), current standings in each division, your personal stats, and allow you to find subs. **Please login and use it** – and make sure you are at the course before your tee time.

Handicaps:

All handicaps will be carried over from rounds played in previous years. New league members will be given an initial handicap based on either a WSGA or by an average score estimate. Handicaps will be calculated using your best 2 scores out of your last 10 league rounds and we will use 80% of that average. For handicapping purposes and pace of play, the 'triple rule' is in effect – you cannot card anything higher than a triple bogey on any hole (but actual scores will be used to determine the match point).

SUBS:

It is your responsibility to find a sub any weeks you cannot make it. There is a sub list built in to IMAGolfer and I have added more names to it this year. Any subs that play must have either an established league handicap, or a wsga/usga handicap in order to get strokes. ***During the regular season, subs will play at 50% of their handicap (which will need to be established); During the playoffs, Subs will play scratch at all times, regardless of their handicap.*** In past years, subs were having too large of an impact in league. It is understandable that missing weeks sometimes cannot be avoided and we welcome subs to fill in, but there should also be an incentive to show up each week. The exception to this rule will be teams that sign up as a 3-person team in which all 3 members will receive a league handicap and play at the normal 80%. Subs are not eligible to win hole contests.

Bad Weather:

Always assume we are playing. If it's going to be too cold or too much snow, I will make a decision by 2:30 and send an email out at that time. Please do not call me at 9am and ask if we are playing (Glynn rule).

Skins:

** NO skins for winter League

Misc Rules:

1. Each week we will play from the "Red" Tees.

2. Putting is a little different, you will chip the ball to one of 2 different rings.. This will determine a 1,2 or 3 putt. The 1st night of league play I will go over this with everyone. It's pretty easy once you see how its done and makes each round much faster.
3. **Pace of Play** – We start Playing each round at 6pm on Tuesdays.. With 4 players playing it should take about 2 hours.
4. **Starter** – The Starter each week will be me. Each week the groups will have to check in with me to pick-up scorecards and I'll make sure your going to the right suite.
5. **Scorecards** must be turned in to the designated area “The Front Counter”– I will log in all scores. All I need on the scorecard is a hole by hole score (neatly written) for each player, the software will figure out the match points. It's up to you to make sure you have a complete and accurate card before it gets turned in.
