

VITENSE COED SIXES VOLLEYBALL RULES

Quick Info. 4 or less players you only need 1 female on the court 5-6 players need minimum of 2 females. There is no gender rule when hitting the ball.

MATCHES

Court/Leagues: 3 games will be played with RALLY SCORING to 21 points (win by 2) with a cap at 28 points. EVERY GAME COUNTS. Let Serves will be LEGAL/ALLOWED. This means that on a serve, if the ball HITS the net and goes over on the other side, it is a PLAYABLE ball.

SCHEDULING

The schedule consists of 16 weeks of play. There will not be a flex week – rainout & reschedules will have to be made up during other free time. If you are unsure of when this is, ask Nik.

If a team drops out of league play anytime during the session, for any reason, teams scheduled to play that team will be awarded a bye and automatic 3 wins for the match, UNLESS the schedule can be reworked properly AND fairly to allow more playing time for every team.

Matches can be rescheduled anytime throughout the season during Vitense normal hours of operation, but not beyond 11pm, provided that BOTH team captains agree and a referee from the staff is present, and no other league play is scheduled for that time.

The regular season schedule will continue as laid out and make-up games will be played at a time & date other than regular season play. It is the team captains' responsibility to set the time in agreement with each other and referee and coordinator, Nik.

PLAYOFFS

There will be playoffs starting the 14th Week of League play, there will be a mini-tournament for 1st-4th place teams. This means that 1st place will play 4th place first, then 2nd place will play 3rd place, and then the winners of both these matches will play each other for the championship. The winner of this championship match will receive the 1st place cash payout.

Of course, all wins/losses count towards your team standings and will determine where you finish at the end of league play for the session (13th Week). Your place for playoffs is determined by the number of

wins you have in comparison with the other teams on your court. Any ties will be determined on the head to head match up from that session with the other team you are tied with.

FORFEITS

One game is forfeited after 10 minutes, 2 games after 15 minutes and 3 games (match) after 25 minutes.

You MUST notify the staff at Vitense (608-271-1411) as early as possible, AND the captain of the team you are scheduled to play, if a forfeiture is imminent. If you would like to reschedule these matches, they can be made up ONLY if agreed to by BOTH captains, to be played at another time. It will be responsibility of the teams to set time & date of rematch, and *should* be witnessed by a staff referee.

If you have NOT contacted the opposing team captain and you do NOT show up, it will be considered a forfeit! NO EXCEPTIONS!

TIME

Games start at times posted for each night. Please note that start times *may* vary on different weeknights due to the number of teams that play that particular night of the week.

TIME OUTS

Each team is allowed ONE time out per GAME but each time out is counted against match time.

TEAM MAKEUP

Teams must consist of at least two players, one female and one male. A team MAY play ONE more male than female during regular season play. However, in playoffs, you MUST ask permission of the other team (they do have the ability to say NO). The female rule DOES NOT APPLY.

**Every regular team player & substitute must sign a player release liability.
This also acts as your team roster. Any opposing team can question your roster at ANY time!**

SUBSTITUTION

Rotation occurs when a team wins the serve. Rotation is to the middle back position.

UNSPORTSMANLIKE/DISORDERLY CONDUCT

Unsportsmanlike/Disorderly conduct will NOT be tolerated at ANY time! It will be left to the discretion of the ref on how to discipline this type of behavior. Some examples of disciplinary action are: Warnings will be given first. Continuation of this type of behavior could result in loss of points, game and even the match.

If this behavior continues to get worse and doesn't subside throughout the session, a team could be kicked out of the league, and NO refunds would be offered!
