Vitense Golfland was founded in 1955 by George and Naomi Vitense. George was an iconic Madison PGA professional and was inducted to the Madison Sports Hall of Fame. He had a vision which came to reality when

he developed a multifaceted, affordable, day & night family golf environment, in Madison. In its first five years of operation, Vitense Golfland featured a large double deck golf range, two 18 hole miniature golf courses, and a 9 hole par 3 golf course.

In 2001, 46 years later, George Vitense's grandson, Joel Weitz, and his wife Sarah, took over the reins of the business. Expansion to an extensive year-round recreation and event destination was born in 2006 with the addition of a 20,000 square foot building.

The model of affordable golf and fun became supercharged with improvements on our Top 50 Golf Range in America through expansion of the golf range with Golf Suites and the upgrade to the latest technology of Toptracer - a golf range ball tracking and gaming system. A virtual round of golf can be played anytime of the year from your Golf Suite! Comfortable furniture, music, TVs are provided in our covered Golf Suites which also are heated or cooled to give maximum comfort year round! Our PGA Golf Professionals of Vitense Golf Academy are available to teach you in all areas of our golf range and golf course.

People say playing golf takes too long? You can play 9 holes of golf in less than an hour on our par 3 golf course - the first and only lit golf course in Wisconsin. Or, if you would rather kick a soccer ball, play 9 holes of FootGolf in less than an hour day & night on our lit course. You don't need to take a full swing on all of our courses. Take putts on our "interactive" miniature golf courses; we have developed miniature golf for the kid in all of us. We combine miniature golf with a playground twist. Bring a tasty beverage with you when you play any of our 3 miniature courses - an 18 hole Madison themed miniature golf course inside and two 18 hole miniature golf courses outside. Enjoy maximum fun on our #1 rated indoor and outdoor miniature golf courses in Wisconsin and recognized as one of the 10 greatest miniature golf destinations in the U.S.A.

We're not done describing all the fun. Here is a list of additional activities:

- Baseball & Softball Batting Cages
- Remote Control Boats
- Indoor Golf & Multisport Simulators
