MOST POPULAR: THE PRO COMBO

Book a Suite(s) + Add a 1-Activity Punch Card.
Get the best of both worlds. Your group gets the suite(s) as a central party hub for food and drinks, but guests can grab a putter and play a round of miniature golf whenever they want

Add on: Remote Control Boats & Batting Cage Tokens: 20 tokens for \$30
Private Miniature Golf Course Rental: \$900 per hour (2hour minimum)

STEP 2: FUEL THE CREW

Choose a food package from our catering menu to keep the energy high.
All catered events come with their own private party host(s)

THE "UNLOCK" RULE:

Spend \$300+ in Food & Beverage = FREE Private Event Space (*Golf suites not included*).
Instead of paying a room rental fee, put that budget toward feeding your team.
If your catering total hits \$300, we waive the room rental cost entirely.

CHOOSE YOUR DRINKS

Drink Tickets: Flexible and budget-friendly.

You set the quantity and the "Max Value" per ticket (e.g., \$8).

You are only invoiced for what guests actually order.
