We hosted a welcome party for our vow renewal here, and it was amazing! Service was absolutely wonderful, thank you Tani! Our families loved it, and it was so great to share one of our favorite places in Madison with out-of-staters! Perfect for all ages, and the catering was outstanding. Highly recommend!

Staff was incredible. Had our company party there and it was a success thanks to their hard work. We would definitely love to come back and maybe try another one of their great event packages for the team.

We played footgolf for our son's 11th birthday at Vitense, and it was so much fun! It was the easiest party to plan. Everything was provided, and there was great communication!

We recently hosted my sons fifth birthday party here and had a great experience. The place was clean and well organized, the food was good, and the staff were friendly and helpful throughout the event. Everything ran smoothly, and the kids had a lot of fun. Overall, it was a solid spot for a birthday celebration and we would recommend it to others.

Worked with their Events team to schedule an outing for 45 co-workers to celebrate a recent milestone on our project. Staff was very easy to work with, helped plan each step of our event, and co-workers had a great time! Would definitely schedule something at Vitense again, and hopefully have a little warmer weather next time!

We had a great birthday party for our 9 year old! The location of the party next to the indoor golf course the kids played was perfect. Having a dedicated person to our party was wonderful and made the whole experience easy and relaxed for us. Maybe next time the weather will cooperate and we can play an outside course!

We had a great experience celebrating a family birthday in the Tee-Box Room at Babe's. Allen was great with all the planning and Tanny was wonderful taking care of us that night. We will definitely be back for future celebrations.

We hosted our rehearsal dinner here for our wedding and it was the best choice we could have made!! We reserved the indoor mini golf area along with a couple of golf bays and everyone had a blast. The taco bar was delicious and the bar kept the drinks flowing. Allen and Jackie helped to make the night run seamlessly.

This year was the second year we had an event at Vitense. Allen was our point person (both times) throughout the planning period. His communication was professional and timely. He was very helpful in providing guidance on all of the different event options Vitense offers. On the day of the event, Allen, along with a few of the Vitense staff, met with me to set the event space up, along with coordinating some final details. They were all very accommodating and supportive of those who attended our event. This is a great place to host an event for all ages!

Vitense hosted my 45 coworkers for an evening event that included a delicious mexican food buffet, drink tickets, punch cards for activities, and we reserved a few suites at the driving range. Every detail was perfect. Those who attended but don't play golf had just as much fun as those who do.

This is our 3rd year in a row hosting our corporate event at Vitense! Each year, the staff is incredibly friendly, prepared, and efficient in helping to run our event. Our group always has a great time, and there truly is something for everyone, whether it's golfing at the driving range, mini golf, grabbing icecream, or simply hanging out.

Our company recently held a summer gathering at Vitense, and it was wonderful! We rented one of their gathering spaces, enjoyed delicious catering, and everyone had a fantastic time. Our server, Tanny, was exceptional - friendly, attentive, and made sure everything ran smoothly. I truly have no complaints! I highly recommend Vitense for group events, company gatherings, or any special occasion.
